Top copper backs life sentences

ONE of Britain's most senior police officers has backed a campaign to give life sentences to those who kill emergency services workers.

Chairman of the National Police Chiefs' Council Martin Hewitt met Lissie Harper, the widow of PC Andrew Harper (*above*), to discuss the plans.

Referring to the recent murder of Met officer Matt Ratana, he said: "They often place themselves in harm's way to do their duty and that can result in the ultimate sacrifice.

"Those officers and staff deserve the full protection of the criminal justice system."

PC Harper died when he was dragged behind a car as he tried to stop a quad bike theft in Berkshire last year.

His killers, who were cleared of murder and found guilty instead of manslaughter are appealing their sentences.

COVID claims 500k UK jobs

BRITISH bosses planned 58,000 redundancies in August, taking the total to 498,000 for the first five months of the COVID-19 crisis.

Some 966 separate employers told the Government of plans to cut 20 or more jobs, compared with 214 last August – a more than fourfold increase.

However, the figures were down from the levels seen in June and July, which both saw 150,000 job cuts planned.

The figures were released to the BBC after a freedom of information request.

HANCOCK MUST GO!

...and Labour deputy leader calls PM 'idiot'

DISASTER: Hancock

LABOUR'S deputy leader has accused ministers of being an "absolute disaster" for the UK during the coronavirus outbreak as she suggested Health Secretary Matt Hancock should resign over the cases data fiasco.

Angela Rayner said the situation – that resulted in 15,841 infections between September 25 and October 2 being left out of the reported daily coronavirus cases – was "completely unbelievable".

She also described Boris Johnson as "the biggest idiot Prime Minister we've ever had" and said the Government should "hang their heads in shame".

Asked about the data fiasco when she appeared on *Good Morning Britain*, she said: "This Government are complete impunity. They break the law. The civil servants get sacked but the politicians are quite alright. It's completely unbelievable... they have made us a laughing stock across the world.

"This used to be one of the democracies that everyone was proud of.

"It's a joke, a disgrace. The whole Government should hang their heads in shame."

When pushed over whether Mr Hancock should resign, Ms Rayner added: "I'd have got rid of him tomorrow," adding, "I believe the whole of the front bench is an absolute disaster for this country.

"They've not been truthful with the British people and they owe them a massive big apology for the thousands of excess deaths."

DEPUTY: Rayner

Ms Rayner also urged the Government to get "local authorities help and input" when it comes to decision making.

SHUT THE PUBS!

SOBERING NEWS: Prof Neil Ferguson

Woe as lockdown boffin calls for boozers to close doors

By DAVID MASON
news@sundaysport.co.uk

THE Government's COVID modelling guru yesterday warned pubs may have to shut ALTOGETHER in a bid to keep schools open.

Neil Ferguson – known as "Professor Lockdown" – said the extra cases added to the UK's tally after an Excel blunder painted a "sobering" picture of the outbreak.

He said it was not clear that the Government could contain the virus while keeping kids in secondary schools, and suggested the wider population will have to "give up more" to maintain education provision.

That could include shutting bars and restaurants, as well as extending the October half-term for a two-week "circuit breaker" lockdown to break transmission chains.

Prof Ferguson said on BBC Radio 4's *Today* programme the addition of 16,000 missed cases meant there was a "slightly more sobering sense of where the epidemic is in the UK than we had last week".

Struggling

He added: "We think infections are probably increasing and doubling over two weeks or so.

"In some areas it's faster than that – maybe every seven days – in some areas slower."

He said the UK was in the "same situation as many other European countries" and all policymakers were "struggling with what to do".

Prof Ferguson admitted it was still too early to detect whether the Rule of Six and 10pm curfews were working.

But he suggested the key factor in the rising cases was education resuming, adding: "The thing that is different across the whole of Europe is that schools are open and universities are open.

"While we don't think primary schools are a major vector of transmission, older teenagers do transmit the virus.

"We don't yet know whether we can control the virus with high schools open."

Prof Ferguson said that extending half term this month for a tough "circuit breaker" lockdown of a fortnight "should be considered".

He said: "I'm not one to say we should close schools – it was highly disruptive for children's education and social wellbeing.

"But we just have to accept that in other areas we might have to give up more, in order to keep them open."

Asked if that could mean closing pubs altogether, he admitted: "Indeed."

June: BBC fails white audiences

THE BBC is guilty of short-changing WHITE viewers, the Corporation's Head of Diversity has claimed.

June Sarpong (*above*) said her work to reach under-represented groups would extend beyond black and Asian people to include working class communities and their concerns, including immigration.

The presenter made the remarks at a virtual Ofcom summit where she also spoke about being the only black person at many BBC conference meetings.

She said: "Often the BAME audience gets a lot of focus, in that the BBC doesn't represent BAME audiences enough, and we talk about young people.

"But we know that we've had serious issues in terms of our connection with working class audiences and I think it's about getting the balance.

"I'm always making sure I'm banging the drum for working class audiences, as I come from a working class background – my parents were immigrants, and we grew up in a white, working class community."

Virus deaths rise again

THE number of registered deaths that involved COVID-19 in England and Wales has risen for the third week in a row, official figures claim.

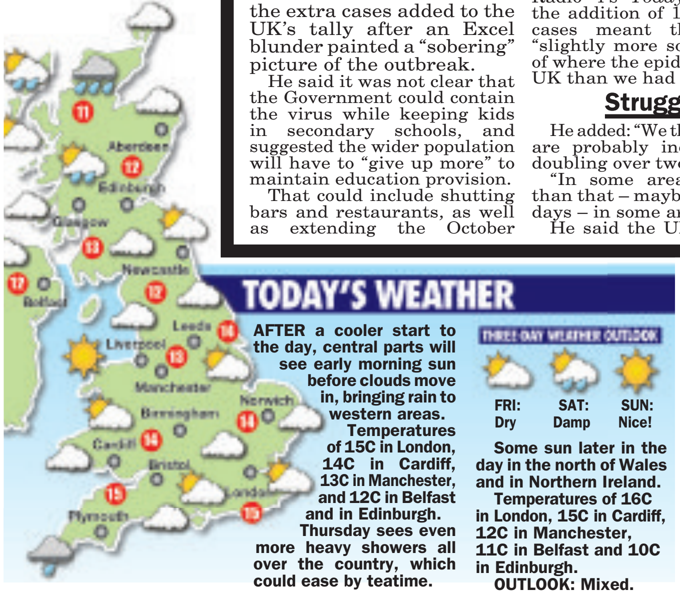
The Office for National Statistics said a total of 215 coronavirus-related deaths were registered in the week to September 25.

In the previous week, there were 139 related deaths, and before that it was 99.

COVID-19 accounts for 2.2% of all deaths in England and Wales, said the ONS – meaning more than 58k corona-related deaths have been registered in the UK.

Up until September 25, 52,943 people had died with COVID-19 in England and Wales, while figures in Scotland show 4,257 related deaths, with 901 deaths in Northern Ireland.

TODAY'S WEATHER



AFTER a cooler start to the day, central parts will see early morning sun before clouds move in, bringing rain to western areas.

Temperatures of 15C in London, 14C in Cardiff, 13C in Manchester, and 12C in Belfast and in Edinburgh.

Thursday sees even more heavy showers all over the country, which could ease by teatime.

THREE-DAY WEATHER OUTLOOK

FRI: Dry
SAT: Damp
SUN: Nice!

Some sun later in the day in the north of Wales and in Northern Ireland.

Temperatures of 16C in London, 15C in Cardiff, 12C in Manchester, 11C in Belfast and 10C in Edinburgh.

OUTLOOK: Mixed.

SUNAK DEFENDS EAT OUT SCHEME

CHANCELLOR Rishi Sunak has defended encouraging people back to pubs and restaurants over the summer, prior to the Government being forced to take fresh action to limit the spread of coronavirus.

His "Eat Out to Help Out" scheme handed Brits discounted meals during August, as ministers tried to restart the economy after the UK's lockdown.

Restaurants, bars and pubs – along with the rest of the hospitality industry – have since been handed a 10pm curfew as the Government attempts to deal with a second wave of COVID-19 infections.

At the weekend, Prime Minister Boris Johnson hailed the meals discount programme for protecting jobs, but suggested new measures were needed to "counteract" the possible impact of the scheme on the spread of transmission.

However, Mr Sunak yesterday played down a link between his scheme and the growing rise in cases as he cautioned against "jumping to simplistic conclusions".

He added: "If you think of the spread of the virus this time around, what's happening is in sync with what's happening around the world.

"This seems a feature of the virus and the season, than anything specific."

CAUSING A STINK: Fan's comment

***GEORDIE Shore* babe Chloe Ferry caused a stir when she revealed her plans for a BREAST REDUCTION.**

But one kinky fan got a bit too over-excited and speculated about the 25-year-old beauty FARTING into his thrilled face.

Chloe revealed plans to swap her current big implants for smaller ones and jetted to Turkey for the procedure.

By BARNEY SAMUELS
news@sundaysport.co.uk

Taking advantage of her sunny surroundings, she set to work topping up her tan in a tiny pink bikini that struggled to protect her modesty.

Chloe checked into the Comfort Zone surgery clinic in Istanbul on Saturday alongside twin sisters and *Ex on the Beach* stunnas Che and Leonie Mcsorley – who got matching nose jobs.

Addressing her fans on Sunday, Chloe said: "I'm actually not that nervous.

"In lockdown I lost a lot of weight and my boobs dropped a little bit and my other half is a bit more petite so I am going to get smaller implants."

The reality scorcher will have time to rest upon her return to the UK, as the Government has just announced there is no longer an air bridge between England and Turkey.

Several fans lamented the loss of Chloe's big, fake rubber tits but one went VERY off message with his fart fantasy.

Writing on the website of the hate-filled *Daily Mail*, SirLintonBadman leered: "I'd like her to parp in my face."

Vile

Sex boffins call fart fetishes "eproctophilia" – a vile practice most popular in Hungary and Madagascar.

A pal of Chloe said: "Chloe may have a bit of a reputation as being a rough diamond but she does not go around farting in strangers' faces for sexual kicks."

By COLIN HURST
news@sundaysport.co.uk

BACK in 1932, the novelist Aldous Huxley imagined a dystopian future where, crazed by drugs, a cowed population lost themselves in meaningless sex and lived their lives in the full glare of publicity.

Surely not! That sounds REALLY far-fetched!

Now Sky have brought Huxley's sinister book, *Brave New World*, to the small screen in an adaptation with *Downton Abbey*'s Jessica Brown Findlay, Demi Moore and *Star Wars*' Alden Ehrenreich as residents of New London.

It's a world of totalitarian uniformity and casual sex, where strong emotions are suppressed by a ubiquitous drug, Soma, individuality and monogamy are outlawed, and citizens are watched over by a nearly all-seeing AI.

And the show is teeming with wild SEX orgies!

Little wonder that producers roped in porn star Sahara Knite – who cut her mainstream teeth in *Game of Thrones* as Armeca – to bring her own expertise to the proceedings.

The 30D Lancashire-born stunna, 44, has appeared in both the *Fake Taxi* and *Fake Driving School* porn series and in movies such as *Private Gold 102: Legs Wide Open*.

And Sahara is not the only *Brave New World* star who enjoys flashing the flesh on screen – as these snaps show…

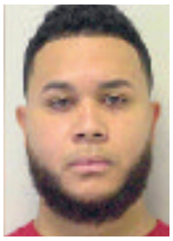
PERV TRICKED TEEN INTO SEX



A MAN blackmailed his girlfriend's teen sister into having sex on camera, claiming the "dark web" would release explicit pics of her if she didn't.

Bryan Cruz, 24, was arrested on five counts of sexual assault and two counts of endangering the welfare of a child after the 14-year-old girl told police they had sex multiple times between September 2018 and June 2019 as part of his sick scheme.

The girl told cops she was 13 when she first got a strange text message in 2018 instructing her to get her "mom's phone and we can see what we can do from there".

She blocked the number and turned to Cruz (*left*), then 22, for advice, but he warned her the mysterious message was from the "dark web" – and that she should follow instructions.

Cruz told the teen the "dark web" had a photo of her holding a bag of marijuana that it would use against her if she didn't comply with demands to take photos of herself in her underwear and masturbating, which she eventually did.

The teen later sent the pics to Cruz, who, as a result of "technical difficulties," said he would act as an intermediary between the girl and the "dark web".

Cruz, of Trenton, New Jersey, then allegedly warned the girl that "the black web" instructed him to have sex with her and they did while the defendant recorded the act with his cell phone as proof of the act.

Cruz told the teen they needed to have sex again on multiple occasions, according to a police report.

He also warned the teen "not to say anything to anybody" because he would get in trouble due to their age difference.

A judge ordered that Cruz be held without bail.

Craig's tip: 'Don't f**k up Bond!'

BOND star Daniel Craig has passed on his words of wisdom for the next 007: "Don't f**k it up"!

The veteran of five Bond films appeared on *The Tonight Show Starring Jimmy Fallon* just days after the announcement his last outing, *No Time To Die*, would be delayed.

It was originally due to be released in April, but was delayed until November amid global concern around the spread of coronavirus.

The film will now be released in April 2021.

Speaking about the delay, Daniel (*above*), 52, said: "This thing is just bigger than all of us. We just want people to go and see this movie in a safe way.

"We want to release the movie at the same time all around the world and this isn't the right time. So fingers crossed April 2 is going to be our date."

When asked what advice he had for the next person to take on the role of the iconic spy, he said: "Don't f**k it up. It's a beautiful, amazing thing. Leave it better than you found it."

HAVE YOU SEEN MY DICK?!

'Bladdered' racegoer played with privates outside family home

DOORSTEP SEX ACT: McGowan

By COLIN HURST
news@sundaysport.co.uk

A MAN performed a sex act outside a family home after getting "absolutely bladdered" on a day at the races.

Scott McGowan stood in front of the house furiously masturbating after he had been to Haydock Races on October 4 last year.

He also urinated on the family's doorstep in Newton-Le-Willows, Merseyside.

The 34-year-old told police he had been to the races for a "blow out" and said in interview he did not remember asking the resident "Have you seen my dick?" as he performed the solo sex act outside the man's home.

At Liverpool Crown Court McGowan was sentenced for outraging public decency after pleading guilty at an earlier hearing.

Prosecuting, Simon Christie told the court that Barry Aviemore heard footsteps outside his home at around 8.15pm.

He then opened the door and "stepped out of the door into a puddle of urine".

Mr Christie told the court that when asked "What are you doing?" McGowan, of Lowton, Greater Manchester, replied: "Have you seen my dick?".

When the dad went back inside the house McGowan kicked the door, prompting Mr Aviemore to return and open the door again.

As he did, Mr Christie explained that he was confronted by McGowan again, who continued to perform the act.

After shutting the door, Mr Aviemore's wife witnessed McGowan continue to masturbate until police arrived 10 minutes later.

Michael Brady, QC, defending, explained that McGowan is employed and has a "reasonable income".

The court also heard that McGowan was grieving at the time of the offence.

Upset

Judge Anil Murray, sentencing, said: "On the evening of October 4 last year you got yourself incredibly drunk and behaved in a shameful way. You upset the people who lived there and let yourself down."

The judge said: "You got yourself so drunk as to lose control.

"I understand you were having problems with grief at the time."

McGowan was handed a two-year community order and must complete 10 days Rehabilitation Activity Requirements.

McGowan was also ordered to complete 50 hours of unpaid work and pay £500 in compo.

Outraging public decency is not a sexual offence and does not require the offender to sign the Sex Offenders Register.

Three found dead in home

THREE people including a three-year-old boy have been found dead at a home.

They also found a man, believed to be in his 40s, who had suffered stab injuries. He was treated by paramedics but pronounced dead at the scene.

Police said the child and two adults were known to each other and they are not looking for anyone else in connection with the deaths.

They are working to inform relatives.

On-the-run emu snared by cop pear

AN emu on the loose ruffled feathers when he escaped from an enclosure and led cops on a wild two-hour chase.

The big bird, named Kermit, went on the run when a gust of wind blew open a gate, allowing it to make a dart for it into a suburban street.

The feathery fugitive – a cousin of the ostrich who can run up to 30 mph – legged it down the road when Animal Control officers arrived.

But the bird-brain was eventually lured, using a pear from a nearby tree, literally into officers' arms and was returned to its owner.

A nearby resident in the suburb Haverhill, Massachusetts, said the emu made a break for it while staying temporarily in a neighbour's garden on the way to a farm in Maine.

Footage posted by a news outlet shows a woman carrying the lanky bird down the street as its long legs and neck flop around.

Blindfolds and 3-ways on Brit sex bucket lists

THE top fantasies on Brits' sexual bucket lists have been revealed by new research.

A survey, which included 2,897 people, was split by gender and showed what men and women prefer.

The most popular bucket list item to tick off for women is being blindfolded during sex, while for men the number one spot is having a threesome.

Meanwhile, the least popular activity among women includes writing erotic fan fiction for a partner while most men aren't keen on bringing food into the bedroom.

Both genders are up for getting it on in a Jacuzzi, and public sex is also a hit, albeit in different places.

While women want to have sex in a lift, men prefer doing this in a public loo, according to the research by Onbuy.com.

HORNY GIRL RUBBED HER MINGE AT BUSY STORE

FILMED: Vanessa Lee Jones was caught on camera

A WOMAN was arrested after she was spotted "continuously" rubbing "her vagina" outside a busy supermarket.

Vanessa Lee Jones, 28, shocked shoppers at a convenience store at 11am after people saw her self-pleasuring.

Police claim the woman was smirking as she "continuously rubbed her vagina" in front of shoppers at the store in St Petersburg, Florida.

Squirter

Witnesses reported Jones's fanny batter was "spraying copiously", suggesting she is what sex people call a "squirter".

Witnesses told cops they were shocked to see such an open display of lewdness and allege the woman continued with the act near the front doors of the convenience store.

Police arrested Jones after a member of the public called them.

Jones was allegedly observed by a man who "video recorded the incident" and showed it to law enforcement officers.

By BRAD CHADWICK

news@sundaysport.co.uk

They then arrested Jones on the spot for lewd and lascivious exhibition.

The terms lewd, lascivious, and indecent conduct mean being lustful, licentious (sexually unrestrained), unchaste, wicked, or sensual by the person doing an act.

Vid calls drive a new danger

NEARLY a fifth of young drivers admit to VIDEO CALLING while behind the wheel, a new survey suggests.

The research indicated that motorists aged 17-24 are more than twice as likely to make or receive video calls.

The RAC, which commissioned the poll of 3,068 drivers, warned the growth in popularity of video calling services such as FaceTime, Facebook Messenger and WhatsApp poses a "new, clear and present danger".

Some 29 per cent of drivers of all ages say they make and receive voice calls on handheld phones while driving.

Other drivers' use of handheld phones is the second biggest overall motoring-related concern identified by the RAC, with the state of local roads in first place.

And the *BGT* role – the brightest star in the ITV Saturday night firmament – put her under intense scrutiny.

Scrutiny that normally focuses on her choice of frock.

Recently, almost-50 Amanda was forced to deny suffering a wardrobe malfunction during an edition of the talent show, which was met with more than 200 Ofcom complaints.

WHO claims we're bored with the bug

THE world is BORED of coronavirus – and that's official!

New data shows significant increases in apathy towards COVID-19 across Europe, according to the World Health Organisation.

So-called 'COVID Fatigue' has been measured in different ways across 27 countries but is now estimated to have reached over 60 per cent of the population in some places, said WHO regional director for Europe Dr Hans Kluge.

Dr Kluge set out several strategies for addressing the slide towards apathy, which include getting the public to have a say in how to deal with the death plague.

There had been positive responses when Scandinavian countries asked the public to help devise "reasonable guidance", which Dr Kluge said is "a good example of recognising that people are experts in their own environment".

Vicar is behind bars after doing CRYSTAL METH with his flock

USER: Lloyd Eddie Lasker Jr (*above*) and the church where he works as pastor

By BRAD CHADWICK
news@sundaysport.co.uk

A VICAR has admitted smoking crystal meth with his parishioners.

Lloyd Eddie Lasker Jr, pastor of the House of Refuge and Deliverance Ministries church in Mayflower, Arkansas, was arrested at a petrol station with methamphetamine and a pipe.

Cops also found a pipe and more meth on the truck's passenger side, where Lasker had been sitting.

Another man, Timothy Bynum, was standing near the driver's side, police said.

He told officers the drugs belonged to Lasker, who at first denied the pipe and drugs were in the truck but admitted to using meth "in the past".

He said he had also "used" inside the church several times.

Four days earlier, police had responded to the church for a welfare check.

They discovered a 21-month-old child with "multiple bruises from head to toe" as well as the boy's mum and the 49-year-old preacher.

The boy's mother claimed the child "was possessed by a demon" before he was taken to a hospital.

Malnourishment

He was admitted to intensive care with a brain bleed and "extreme" malnourishment, police said.

Cops went to Lasker's home to ask him about the case to no avail, but officers later spotted his truck at a petrol station in Little Rock – the political home of former US President Bill Clinton.

Lasker has been charged with possession of a controlled substance, possession of drug paraphernalia, and possession of a gun by a convicted felon.

Tracie's Place Karaoke Bar and Restaurant in Hamilton, Ontario, closed during the coronavirus pandemic in March and reopened three months ago under strict rules.

Owner Tracie England said: "Doing it in the shower is a great way to stay sanitised and keep everything clean."

Normally she has to rush people along as there is a high demand to get behind the mic.

Now she plays a song between each singer, giving her a chance to clean down the shower.

Shower curtains also separate the tables.

MEET NINJA GRAN!

A PINT-size pensioner sprang into action when an intruder broke into her apartment at an old people's home.

Lorenza Marrujo, 67, tackled a 59-year-old man, who appeared to be intoxicated, when he entered her third-floor apartment in Fontana, California.

Donald Robert Prestwood grabbed at Lorenza after barging into her home, before she warned him: "Back off, or I will have to hurt you!"

Wheelchair

Prestwood then ran off and went to the first-floor apartment of Lorenza's close friend, where the 4ft 11ins OAP said she found the man standing over 87-year-old Elizabeth McCray, who has to use a wheelchair.

Lorenza – who is a jujitsu black belt – added: "I had to bend his fingers back to get him off her. He was screaming.

"Then I went 'boom!' with my elbow, twice in his sternum."

Lorenza (*left*) stayed on top off Prestwood's chest until the police arrived and arrested him at the scene.

Prestwood was arrested on suspicion of elder abuse.

MAURA: MY MUM'S GREEN LIGHT FOR X-RATED PLAYBOY SHOOT!

By ROY DURRIDGE
news@sundaysport.co.uk

***LOVE Island* lovely Maura Higgins says her mum has given her blessing for the reality star to do a NAKED photoshoot for *Playboy*.**

The former *Dancing on Ice* star, 29, says mother Sharon will support her doing the raciest pics.

Maura said: "My mum always told me if I wanted to do *Playboy*, she'd support it.

"I could send my mum anything and she would be so happy and proud of me – it doesn't matter what."

Sharon visited Maura in the *Love Island* villa during her stint on the show last year.

She has previously spoken out to defend her daughter against online trolls, saying: "I say to Maura these people have nothing better to do.

"You have to think of it this way, what kind of person is writing that? Sure, they are the ones that are being nasty."

Maura – speaking at the launch of her new Christmas beauty gift sets with Inglot – says her mum's advice has helped her cope with nasty messages online.

"To be honest, I'm used to it," she said.

"Not everyone's always going to like you, that's what she always taught me.

"The world would be a very strange place if everyone liked each other."

'BLACK HOLE' BRIT WINS NOBEL PRIZE

A BRIT-born boffin is one of three scientists awarded the 2020 Nobel Prize in Physics for work to understand black holes.

Roger Penrose, Reinhard Genzel and Andrea Ghez were announced as this year's winners at a news conference in Stockholm.

They will share the prize money of £864,200.

David Haviland, chair of the physics prize committee, said this year's award "celebrates one of the most exotic objects in the Universe".

Black holes are regions of space where gravity is so strong that not even light can escape from them.

UK-born physicist Sir Roger Penrose, from the University of Oxford, demonstrated black holes were an inevitable consequence of Albert's Einstein's theory of general relativity.

He receives half of this year's prize, with the other half going to Genzel and Ghez. Prof Ghez is only the fourth woman to win the physics prize, out of more than 200 laureates since 1901.

Ulf Danielsson, a member of the Nobel Committee, said: "The history of black holes goes way back in time to the end of the 18th Century.

"Then, through Einstein's general relativity, we had the tools to describe these objects for real."

Handyman hid camera in bathroom

A CREEPY handyman admitted to hiding cameras in bathrooms at homes he was working on.

Romeo Sanchez, 47, was arrested on a count of invasion of privacy by police after a homeowner who hired him to install a window spotted a suspicious device in her bathroom.

The device, which police said was inserted into a bathroom wall, was found to be a micro camera, equipped with a memory card.

The woman saw the device plugged into an outlet inside the bathroom and knew it "didn't belong to her," said cops.

The victim then saw clips on the device depicting herself and her bathroom, as well as another location.

Police tracked down Sanchez (*above*), a married father, who admitted he installed the camera at the home in Paramus, New Jersey.

Sanchez, who now faces up to a year in jail, was hauled to the lock-up but has been released pending a court hearing.

COVID halts Amsterdam's sex tourism

POPULAR Amsterdam sex tourism spots are closing their doors for at least the three weeks that the new strict measures against COVID-19 will be in place.

The Red Light District is currently so deserted that staying open is not worth it, Cor van Dijk, boss of the entrepreneurs' association in the neighbourhood, said.

The closures include erotica stores like Casa Rosso, the Bananenbar and club, Theater 97, Hospitalbar, the Erotic Museum, Peepshow, and Sexy Loo.

The government will reassess the measures in place against the spread of the coronavirus on October 20 and the sex tourism spots will be closed until at least then.

Van Dijk said. "It is so quiet in the area that on some evenings we have more staff than visitors."

AS MICHAEL PALIN JOINS CAST OF *THE SIMPSONS*, WE VISIT…

BUSTY SPRINGFIELD!

CAN you believe it's now more than 30 years since Michael Palin made his classic TV show *Around The World in 80 Days*?

The show sparked several sequels and a revival in the travelogue genre.

It also turned Palin from former *Monty Python* comic into international megastar and cemented his position as the World's Nicest Man.

But now Palin has reached even dizzier heights – he's been cast as a guest voice on hit US cartoon *The Simpsons*!

By SUZIE SHELDON
news@sundaysport.co.uk

Michael, 77, announced the exciting casting news during *The One Show* last month.

When asked if rumours were true he was set to join the animated Simpson family in the fictional town of Springfield, he said: "Yes, I've recorded my contribution. I play a wacky museum curator."

In July, producer and writer Matt Selman gushed: "Sir Michael Palin from *Monty Python* will be appearing on *The Simpsons*. Which is pretty exciting for me.

"I love them all, but I think he's my favourite."

Palin joins a long line of famous faces to make a guest appearance on the iconic TV series, including chef Gordon Ramsay, former Beatle Paul McCartney and actor Danny DeVito.

We also have a whole host of *Simpsons* guest stars who have appeared TOPLESS…

EXPLOSION OF VIOLENCE

VICTIM: Robert Bogle was stabbed 10 times by Paul Glen who will end his days in prison

PLOT: Glen planned to break out of jail, but was foiled

FREED...TO KILL AGAIN

By KOURTNEY KENNEDY
news@sundaysport.co.uk

IT was just after eight on the evening of June 8, 2004, and three girls were walking though the Cambridgeshire village of Farcet, sharing a bag of chips.

But what they saw next was enough to put anyone off their supper.

Robert Bogle staggered out of his house in front of them. He was drenched in blood.

"Call an ambulance!" he demanded.

One of the girls dialled 999 on her mobile phone while the others watched in horror as the stricken man banged on doors and windows of nearby houses, desperate for help.

Bogle eventually collapsed, lifeless, on a patch of grass.

The 14-year-old who'd phoned the emergency services screamed to the operator: "It's right in his heart!"

Carnage

At that moment, a man wearing thick black gloves strolled casually from an alleyway alongside Bogle's house.

He passed the scene of carnage and walked on as though nothing untoward was going on.

The girls wondered: "Why is he wearing thick gloves on a night like this?"

The man in the gloves was Paul Glen.

What would later emerge was a bizarre tale of underworld heavies, a village feud and mistaken identity.

It would also emerge that Glen had already been jailed for murder but had been freed – freed to kill innocent Robert Bogle.

Born in Blackpool, Lancashire, in 1972, Glen committed his first murder aged just 17.

Ivor Usher was a gay guest house owner in the resort who, it was rumoured, kept £5,000 in his safe.

On February 21, 1989, the teenage Glen went to Ivor's guest house along with an accomplice. They were intending to empty the safe.

But Glen lost control and ended up beating Ivor to death while he was tied to a chair.

He was later found guilty of murder and jailed for life.

In his case, though, 'life' meant just 13 years. So, in 2002, Paul Glen was released from prison on licence.

Lesson

Had he learned his lesson while inside? Was he ready to turn over a new leaf and end his life of crime?

Not a bit of it.

Robert Lotts was a millionaire businessman who lived in Farcet. He had a problem.

Lotts believed another businessman, Vincent Smart, was bullying his three sons. He wanted Smart roughed up so

IN FRIDAY'S WEEKEND Sport

VIOLENT: Paul Glen travelled to Farcet – to kill the wrong target

‘CUNNING, DEVIOUS & VERY DANGEROUS’

he’d stop picking on his boys.

But Lotts didn’t know many people in the ‘roughing up’ business.

Fortunately, his brother-in-law, Wayne Wright, did – and that’s how Robert Lotts came into contact with Paul Glen.

At Glen’s trial at Norwich Crown Court, Prosecutor Rex Tedd QC claimed Lotts had contacted Glen via two third parties – Wright and a convicted armed robber, Victor Dark.

The court heard that Dark – described as a “violent criminal” – and Glen had been prisoners in the same jail in the mid-1990s.

Mr Tedd told the jury: “In the dock there are two mercenaries, Mr Dark and Mr Glen, and there are two customers, Mr Lotts and Mr Wright.

“The arrangement between these four was that Smart would be killed.”

Glen travelled from Liverpool to Smart’s home in Farcet armed with a knife.

Unknown to Glen, though, Smart had a housemate – 25-year-old Robert Bogle.

He was cooking a meal for his girlfriend when Glen came calling.

Vincent wasn’t at home as he was house-sitting for his parents nearby.

Vincent Smart was a white man in his 30s, Robert Bogle a black man in his 20s.

As cases of mistaken identity go, it was quite a staggering one. Either way, Robert paid the price for it.

Unexpected

He was subjected to what was later called an “explosion of unexpected violence” that saw him stabbed at least 10 times.

Glen couldn’t deny being at the house – as well as mobile phone records placing him at the scene, there was a great deal of forensic evidence, too.

He tried to blame a mystery man called “Steve” for the slaying.

But, at the end of a five-week trial, a jury of four men and five women unanimously found Glen guilty of murder.

Sentencing him, deputy High Court judge Sir John Blofeld said: “As a result of your actions a young man who had a future before him lost his life in circumstances which were terrible.”

He decided Glen should remain in jail for the rest of his natural life.

The judge also ordered Glen to serve nine years concurrently for conspiracy to cause grievous bodily harm.

When it finally sank in that he was never going to be released, Glen screamed at the judge from the dock: “Do I not get a chance to say anything?”

Robert Lotts and Wayne Wright, both 45, of Hackney, London, were cleared of murder and conspiracy to murder but admitted conspiracy to cause grievous bodily harm at an earlier hearing.

Wright was jailed for five years and Lotts for four.

Victor Dark, 48, of Waltham Cross, Herts, was cleared of both charges and of conspiracy to cause grievous bodily harm.

That wasn’t the end of the story for Paul Glen, though.

In September 2005, his lawyers launched an appeal against his whole-life sentence.

But judges at the Royal Courts of Justice ruled that the sentence was appropriate under guidelines because not only was it Glen’s second murder, it had also been committed for profit.

Escape

Two years later, Glen married.

On February 3, 2007, inside the high security unit of Whitemoor Prison in Cambridgeshire, he wed 41-year-old Paula Kelly from Liverpool.

The groom gave his address on the register as 300-310 Longhill Road – it was the postal address of the jail that held him.

The following month, Glen and two other prisoners plotted to escape using a gun smuggled in at another prison wedding.

But authorities got wind of the plot and the trio were hauled off to solitary.

Glen didn’t care in the slightest, though. They could hardly lock him up for any longer – he’s never getting free.

But neither are Robert Bogle’s family, who have a life sentence of loss.

His elder brother, Paul, said: “He was just a wonderful person. It’s such a shame he’s not here.

“There isn’t anything I can say or do. He isn’t coming back.

“We will try to get ourselves together, try to move on with our lives the best we can, but Robert’s death has left a huge void.

“It’s just a hole, a chasm, which can’t be filled.

“They say time is a great healer. We will have to test that theory ourselves.”

Robert Bogle should not have lost his life. A ‘roughing up’ meant for someone else led to his murder.

He died because Paul Glen was freed to kill again.

HELP! MY PUSSY IS ON FIRE

FLAMING NUISANCE: Katrina Morgan

Woman nicked for x-rated call to emergency services

A WOMAN who called the emergency services to report “my pussy is on fire” has narrowly dodged jail.

Katrina Morgan added that as a result of her inflamed nether regions she needed someone from the fire brigade to “put it out with their hose”.

In court, she pleaded guilty for her misuse of the emergency dispatch system.

By GRACE HOOPER
news@sundaysport.co.uk

In a plea deal, Morgan, 50, copped to disorderly conduct in connection with the late-night call in May.

Morgan was pissed when she placed the call while at a friend’s home.

After entering her plea, she was sentenced to 10 days in jail, though the execution of the sentence was suspended so long as she avoids trouble for a year.

Morgan was initially charged with disrupting public service, a more serious offence.

When a dispatcher answered Morgan’s call in Port Clinton, a city on Lake Erie in Ohio, she heard her say: “I need the fire department please, because my pussy’s on fire. I need to make sure their hose is working. Is their hose working?”

After the dispatcher asked “What is on fire?” Morgan replied, “I need the fire department because my pussy’s on fire. And I need somebody to come put it out with their hose.”

In the background, a female friend of Morgan’s can be heard squealing.

Tracking her down to her friend’s home, cops took her into custody, but not without a struggle.

It was only after an officer removed his taser from a holster that the “agitated” Morgan calmed down and got into the cop car.

Morgan was also fined £250 at Ottawa County Municipal Court.

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

BACK in August, on these pages, I told how my house had been attacked by a moron who painted "RACIST CT" on the pavement outside our front gate with an arrow pointing at our front door.**

I'm happy to say that said moron was recently identified by persons unknown, and on Thursday made a full and frank confession to the police.

And cried like a child while he did it....

PR bollocks is a big bunch of arsewipe!

A MAN has invented a jetpack for paramedics to help people who get injured climbing on mountains.

It's a mini *Iron Man* set up – fella dons suit, fizzes up into the sky, wahey!

Probably takes a selfie or two while looking ace, and then plonks down next to an idiot hiker with nothing more than a sprained ankle.

And then ends up on page seven of the weekly *Dull Sheep Gazette* with a token lamb in his arms.

The teen girls will swoon. Their mums will gourd their fearsome, fiery loins. The lesbians will question their sexuality.

And the blokes will just go to the pub and be made up when the peanuts they order finally reveal the cardboard model's boobs.

Don't lie – we've all done it…

Thing is, I absolutely love this stuff.

But then I would – I was born in the 1970s and I'm still waiting for flying cars which we were promised back, well… in the 70s.

They also told us back then, we would by now have cured cancer, moved to Mars, invented free beer, persuaded the fittest girls out of *Hollyoaks* to sleep with us, and conquered chess.

Alas, it was not to be.

And nor was it ever going to be.

Glossy PR-driven images of what life could be if only you whining taxpayers would just say "yes" for once drove all of this nonsense forward.

Otherwise sensible people broke out into excited sweats at the sight of printed images on a flipboard that declared everywhere was going to be Disneyland, or – second best – actual Heaven.

But it's all bullshit, isn't it?

Absolute, utter crap.

Immersed in the internet, as most of us are, we forget all the shite that successive Governments, businesses and so-called "visionaries" promised us.

Remember the Millennium Dome?

Basically, a very expensive but shite tent in Fancy London to remind everyone that Tony Blair had won an election.

Boris's Olympics? They weren't his – it was all set up long before he got anywhere near it.

Insidious

It's all bollocks – and it's driven by the most insidious industry outside of insurance in this country.

Public relations.

Now, you may think you're not party to any of this crap, but you are.

Every bog roll, every razor blade, every pasta sauce – they are all screaming at you night and day from the telly box to buy, buy, buy.

Nothing wrong with that. We all need to eat. And poo.

But the incessant drumming into our heads of how BRILLIANT it all is drives me round the twist.

Do you think PR people walk into their toilet at home, look at their kids' skids, and declare: "OMG! How amazing is that shit? It's the best shit stain I've ever seen!"

No, of course they don't.

Unless they're on Instagram.

COVID docs erotic book goes viral!

A NEW digital erotic romance, featuring two horny scientists in their fight against the coronavirus, is causing a storm online.

An online synopsis of *Kissing the Coronavirus*, by author M.J. Edwards, explains: "Dr Alexa Ashingtonford is a part of a crack team of scientists tasked with finding the cure to the devastating coronavirus. Little did she know she would end up falling in love with it."

And an extract reads: "Despite the devastation the virus was causing across the globe, Alexa felt a rush of excitement every time she picked up the corona sample – like a pulsating, erect penis, desperate to unleash its devastation on anyone who touched it."

The virus then infects an evil scientist, Dr Bob Gurtlychung, who uses an untried vaccine on himself to try and rid his body of the virus… then turns into a green, hulk-like COVID-19 sex beast, who hooks up Dr Ashingtonford.

A reviewer said: "This is so spectacularly bad, it's genius!"

Love rat hubby uses COVID to leave wife

A MAN went missing in July after telling his wife he'd tested positive for coronavirus, was found with his girlfriend.

In a telephone call to his wife the love rat said: "I can't live anymore," before disconnecting.

The distraught wife asked her brother for help, who contacted the police and filed a missing person's complaint.

Cops soon found the missing 28-year-old hubby, from Bombay in India, had been having an affair.

He now faces deception charges after detectives found him with his lover.

U.S. ELECTION LATEST

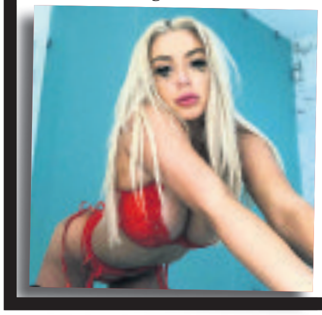
YOUTUBE BABE IN VOTES -FOR -NUDES SCANDAL

CAMPAIGN: Tana (*right*) and (*above*) Joe Biden

AN internet star has been rapped by web bosses after offering NUDE PICS to anyone who votes for Democrat Joe Biden in the US presidential election.

By BRAD CHADWICK
news@sundaysport.co.uk

Tana Mongeau has 5.5m subscribers on her YouTube channel and last week fans noticed the 22-year-old's verification checkmark – which has an impact on her ability to rack up views and money – was missing.



Controversy

The controversy began on September 30 when she began an Onlyfans promo called #bootyforbiden – promising a nude pic in exchange for proof of a vote for Democratic nominee Joe Biden in next month's election.

The Las Vegas-born beauty's promotion might have been a breach of federal election law, as it's prohibited to give anything in exchange for a vote.

The YouTube star last week posted a shot that appeared to be a scantily clad selfie, with Biden's face Photoshopped over hers and with a message on Instagram saying: "Update #bootyforbiden broke tana uncensored. [Love] to see so many [people] who want change as badly as [I] do."

The social media star said that picking the former Vice President over current President Donald Trump was the best move for the U.S.

She added: "You don't need my ass to know what's right for America so go VOTE! Today was fun," adding an abbreviated "I love you" with an emoji of the American flag.

It is not yet known how the offer of nude pics will affect Trump's polling figures next month.

DAD-SHAG KILLER GIRL GETS 40 YEARS

A WOMAN who killed and dismembered her boyfriend so she could marry her DAD has been jailed for 40 years.

Amanda McClure, 31, appeared in court via a video link and pleaded guilty to the murder of 38-year-old John McGuire in February last year.

McClure's father, Larry McClure Sr, 55, was sentenced in August to life without parole after he admitted bludgeoning and strangling Mr McGuire to death.

Amanda's sister, Anna Marie Choudhary, 32, is also facing a murder charge for allegedly taking part in the crime.

The dad and daughters are said to have killed Mr McGuire together and buried his body in a shallow grave on their property before later moving the body to a location in Skygusty, West Virginia, where Larry and Amanda McClure had sex.

Married

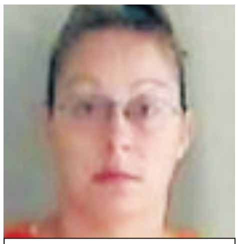
Just three weeks after the Valentine's Day 2019 murder, Larry and Amanda travelled to Virginia to get married on March 11.

In court, Amanda apologised to Mr McGuire's mother, Karen Smith, and begged the court for mercy.

Amanda attempted to offer an explanation for what happened, blaming her dad for having a bad influence on her.

Judge Ed Kornish described the murder as "heinous" and blasted Amanda for failing to take full responsibility for her actions.

However, the judge also expressed hope that the defendant, who had a long prior history of drug offences, would turn her life around in prison and emerge a changed person.



CAGED: Amanda McClure

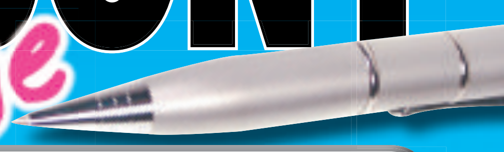
THE WORLD FAMOUS AGONY Page



Dear Kelly,

I'M a keen member of a cycling club and have enjoyed the company of other members of the group – all like-minded men – on our journeys into the hills for several years.

Last month, after a committee meeting lasting all of five seconds, we accepted two new recruits. Our new members are stunning 19-year-old girls with huge tits.

On their first ride, all the fellas were stunned and disappointed because they arrived with a tandem and they refused to split up.

And I found out why when we went for another ride last week. I spent most of the trip pedalling behind them gazing at the sight of their firm, sweaty arses and wishing my face was their saddle.

I lusted after them all day and fantasised about having a threesome with them, so much so that I had an enormous stiffy when we stopped at a tea shop.

But what a disappointment I got when I went to the toilet for a quick wank.

As I came out of the cubicle I spotted the pair of them at the back of the toilet fingering and licking each other out.

They're obviously raving lesbos. What a waste.

ST, South Wales

Kelly says…

DON'T give up just yet. You never know, they could swing both ways.

Dear Kelly,

MY lovely personal assistant at work keeps on pestering me to shag her.

But even though she's very pretty, with truly impressive 38DD-24-35 curves, she's a curly-haired brunette.

And I much prefer blondes – like my dream girl, TV's Holly Willoughby.

Last week my PA bent over the desk directly in front of me and flashed me her knickerless and perfectly trimmed fanny.

But I didn't even feel a trouser-twitch.

Do you think I should go for it or hold out for a chance to get my legover my dream babe?

LT, Lancs

Kelly says…

HOLLY is tasty but you've got to be realistic – shag the brunette.

I had unexpected play while wife was away

Dear Kelly,

I'M a 27-year-old married father-of-two and last weekend I was left with the kids as my missus had gone off to visit some relatives.

I decided to go to a holiday park. Once we were there the kids, aged five and seven, were in their element and I noticed that they had made new friends.

I was sitting on a bench and the other kids' mother – a great-looking bird – sat down next to me and started chatting.

It turned out she was in the same position as me as her man was away on business.

We decided to go for a meal that night at the onsite restaurant and arranged babysitters.

She looked great in her slinky, low-cut dress and the red wine got her going.

We went back to her cabin, paid off the sitter and got down to it.

She pulled her dress up over her head to reveal a pair of fabulous breasts that I guess were about 36D.

She peeled down her thong to reveal a true blonde thatch and pulled down my zip, letting my throbbing cock spring to life.

I bonked her over the sofa until she screamed.

Now I'm back home with the missus, I feel rotten.

What can I do?

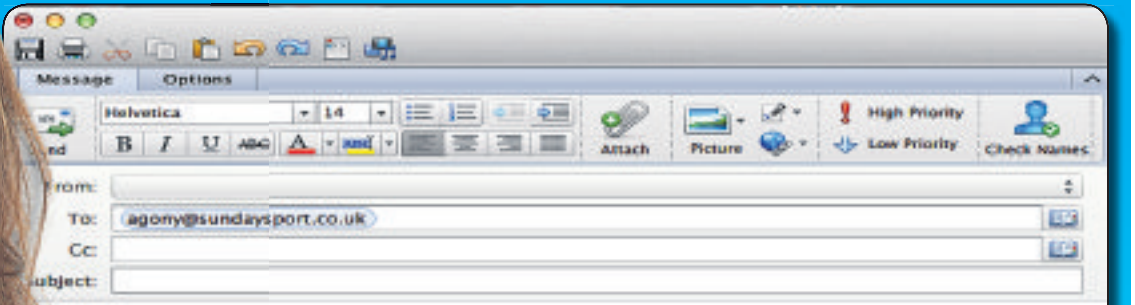
TH, Dorset

Kelly says…

TAKE your wife next time, love-rat.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY McGREGOR has been reading through your letters. And here's her advice for you...



agony@sundaysport.co.uk

I've turned slapper into a real belter!

Dear Kelly,

I AM a man of 23 and I am into mild S&M now and again to spice things up.

It took a bit of persuading but I managed to get my new 19-year-old girlfriend to give it a try.

I told her I would like her to dominate me and to give me a damn good spanking.

She didn't really seem all that keen on the idea but agreed to give it a go, so I stripped naked and draped myself over her knee, ready to receive my 'punishment'. She placed her left hand on the small of my back and started to slap my bum with her other hand.

She was quite disppointingly gentle at first but she grew in confidence with each slap and was soon giving me a good belting.

She continued until my backside felt quite sore and gave me a happy tingle.

But it was as I got up that her attitude totally changed from the reluctant dominatrix she was when I suggested S&M.

Her face took on a stern look as she ordered me on to the bed and demanded that I shag her.

It was clear that she was turned-on something rotten and as a result we weat it like rabbits for the best part of half and hour, frantically bonking until we were thoroughly breathless.

Climaxed

During that time she must have had three almighty climaxes and I shot my load twice – something that I'd never managed to do before in such a short space of time.

Now she's really been bitten by the bug and doesn't want sex unless she spanks me first.

Last week she surprised my when I got home late from work by wearing a load of dominatrix gear she'd bought online, and showing me a range of vicious looking equipment she'd also picked out. She asked me if I would let her use her belt on me. I agreed but told her to be careful and not to do it too hard.

She told me to stand facing the wall and she started to whip not only my bare buttocks but all up my back too.

This hurt so I turned to tell her to go easy a bit.

I was shocked at what I saw. Her face had completely changed and she had a cruel look. She screamed at me to get back in position so she could continue to punish me until she decided to stop.

She warned me that if I refused she would dump me and throw me out and then I'd be homeless.

I want to warn guys to be careful of what they introduce their girlfriends to as it could all go wrong.

SK, Salop

Kelly says...

TAKE it like a man. You know you want it!

Breakdown babes left me with a bill

Dear Kelly,

WHILE driving home from work with a colleague, we were forced into a diversion through the countryside.

We were unlucky enough to get stuck in a queue of traffic behind a broken-down lorry along a narrow lane.

Soon our attention wandered to two gorgeous big-boobed blondes in a big 4x4 vehicle behind us.

Somehow in the traffic jam they had managed to roll into the back of my car and the damage was fairly extensive.

The driver, who was older than her cute passenger, was very apologetic. While checking the damage, she bent over and showed off her pert backside.

I was soon fully revved up and she immediately noticed my throbbing gearstick.

She gave me a kiss, grabbed my crotch then led me into the nearby field and soon I was rear-ending her.

Then she clamped her lips around my shiny helmet until I shot my love-juice over her heaving breasts.

As we returned to our cars I could hear a horn blasting, and I assumed it was the cars behind getting impatient.

Then I saw that it was my mate having his dick serviced by the younger blonde, and his knee kept hitting the horn.

I was shocked as my bird said that her daughter was doing it all wrong – and she stepped in and brought him off with her own gob.

The jam cleared soon after, but as we drove home I realised that we hadn't swapped insurance details.

Now I have a whopping repair bill to pay.

ME, Wilts

Kelly says...

SOUNDS cheap at the price.

Dear Kelly,

I'VE just come back from a holiday in the Greek islands, where I met a stunning local girl who shagged like a rabbit.

She was a waitress and I fancied her as soon as I saw her great curves.

There was one problem – my fiancée was with me.

But after two days we had a blazing row and she took a flight home.

That night I rushed to the restaurant and chatted up the Greek beauty.

At closing time, I offered to walk her to her apartment, but on the way we stopped off on the beach.

It didn't take long to get naked on a lounger. I was in heaven as I fingered her as she played with my throbber.

Then we rolled onto the sand, where I slipped in my penis and began riding her for all I was worth.

She screamed in what I thought was ecstasy as I came to climax.

But when I'd calmed down she explained to me that my dick was covered in sand and she had been in agony as I pumped backwards and forwards.

I never bothered to see her again, because the next day my willy was red-raw and of no use to anyone!

SP, Essex

Kelly says...

SERVES you right for being unfaithful.

#MY SEX FANTASY

‘What turns me on is the idea of having sex with strangers!’

...WITH INES CUDNA, 35 32D-24-35 FROM WARSAW

US women are suppose to be aroused by reading Mills and Boon – we love romantic sex, apparently.

But not me!

What really turns me on is random sex with strangers!

When I play with myself, I’m nearly always fantasising that I’m dogging, or getting it on with people I don’t know in sex clubs.

Humans love novelty and variety and I love that moment when you feel an endorphin rush as you’re about to get it on with someone for the first time.

I’ve had some of the hottest sex of my life with total strangers.

I once matched with a cute guy off Tinder and 30 minutes later we met at a graveyard to have it off!

It was incredibly horny that one minute he was a stranger behind a screen then we were doing it.

I’m not ready for relationships right now – unless it’s one where they’re OK about me getting up to naughty fun like that!

#HOT'N'HORNY

INK-credible Daniella Mae says she once got chatted up by a hunk – but he turned out to be more interested in her TATTS than her TITS!

The 26-year-old, from Windsor in Berks, said: “This guy came over to me in a bar and I thought, ‘Here we go’ as he was really fit.

“I’d seen him looking at me and wondered when he was going to make his play.”

But she added: “As it turned out, he just asked loads of questions about where I got my tattoos done. And then, to add insult to injury, in walked this other nice-looking bloke and it turns out it is the hunk’s BOYFRIEND.

“The pair of them went off together, leaving me on my own.

“How frustrating is that?”

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

JASMINE MARIE

TRANSPORT boss David Sampson can't stop ogling Jasmine Marie's 32Es.

The bus driver, 46, from Hackney, said he'd love to take 23-year-old Jasmine, from Hatfield, Herts, for a ride and has the perfect journey for them.

He said: "A date with Jasmine is my dream and I'd happily take her for the ride of her life – she'd not want to get off.

"For now though, topless photos will do, if you could please publish one in the paper!

"That'd keep me happy all day long ...cheers!"

JASMINE BLACK

JUICY Jasmine Black should be top of the league – just like her home footie team.

That's according to bar worker Zach Griffins, 28, who has a major crush on the 30-year-old Leeds model.

Zach, also from Leeds, said: "The very best always have a great pair up front.

"And that's Jas. She has quality 34H boobs and a peachy bum – just my type!"

KITTY KING

GARDENER Kevin Parker says he would jump at the chance of tending to Kitty King's bushes.

The 53-year-old, from Stockton, fancies the pants off the Salisbury model, 25, and said he'd love to see her nude.

He wanted a peek at her 32E assets – and a little more – adding: "I'd love to have her on a job with me for the day.

"If I played my cards right, I could teach her to trim the hedges.

"And she might even let me see her lady garden."

#HOT 'N' HORNY

By JAYNE FERGUSON news@sundaysport.co.uk

BUSTY blonde Mia Middleton is a huge fan of MASTURBATING and says that it'll take someone very good in the bedroom to tempt her away from her SEX TOYS.

The Northampton-born beauty, 25, much prefers a night in by herself so she can indulge in self-loving.

And the 30DD stunna says a man would really have to know his way around her body to persuade her to swap her silicone cocks for the real thing.

Vibrators

She said: "I've been enjoying my solo nights for a couple of years now, ever since I moved into my own place.

"I've got tons of toys – from vibrators to dildos – and I'll use them all if I'm feeling super horny!

"Now, when I say I'm staying in, the girls always know what I really mean.

"If a bloke did come along, he'd have to be seriously good in bed to tempt me away from my toybox…but I'm willing to give it a try!"

Gareth's Lions too good for Dragons

NEEDS A REST: Southgate may leave Kane on the sidelines

ENGLAND can get the better of Wales in their friendly at Wembley tomorrow night.

It is easy to describe the game as meaningless although it is although it does give Gareth Southgate the opportunity to blood some new players ahead of the two home Nations League games on Sunday – v Belgium – and next Wednesday v Denmark.

Gareth Southgate's Three Lions have not conceded a goal in their last four games although it is possible that the central defensive partnership will be Joe Gomez and Harry Maguire's whose club sides shipped 13 goals between them on Sunday.

Behind them is Jordan Pickford whose latest calamity failed to halt Everton's extraordinary renaissance under the outstanding Carlo Ancelotti at the weekend.

I hope Southgate gives Dean Henderson and Nick Pope 45 minutes each against Ryan Giggs side although I do feel Pickford will be back in the firing line against free-scoring Belgium on Sunday.

Everton are now just a top price of 11/4 to finish the campaign in the top four with 10bet, yet they are 5/1 with Paddy Power to win the mini league without the big six.

No, it does not make sense – not the first cock up from Paddy in recent days although they have already paid out on Fulham to be relegated which is a given.

Tips, News and Betting Offers

I'm looking forward to seeing Harvey Barnes and Dominic Calvert-Lewin in an England shirt although isn't it a sad indictment of the culture around the side that five young England internationals – Foden, Greenwood, Abraham, Sancho and Chilwell – will miss the game because of breaking Covid protocols.

The explanations and apologies given for the three attending the surprise 21st birthday party on Saturday evening were laughable and no wonder Gareth Southgate is reported to be "fuming."

Wales will be without Aaron Ramsey and Gareth Bale and England should win. The Three Lions are 1/3 at bet365 to go into the game with Belgium – currently world number one – on the back of a win.

England to win to nil is 6/5 and that is the recommendation.

You must go back to 1996 for the last time Scotland reached the European Finals but they entertain Israel at Hampden tomorrow in a one-off tie with the winners meeting Norway or Serbia in November.

If Scotland win their tie play-off ties, they will be in the same group as England, Croatia, and the Czech Republic for next summer's finals.

During the lockdown I watched a rerun of the famous Wembley game in 1996 with Gazza's goal and David Seaman's extraordinary penalty save from Gary McAliister.

Scotland have been beaten in the play-offs in the last couple of European tournaments but these side know each other well having met in the last couple of Nations League campaigns including when sharing the spoils last month.

I hope the Scots can win and the 21/20 with BetVictor looks fair as does the 11/2 for a 1-0 home win for the hosts.

There will be no Hampden Roar to get behind Steve Clarke's side, but I think they can edge what promises to be a tight tense affair.

BAD MOVE: Abraham is one of five ruled out

BIG BUY: Partey

IT'S PARTEY TIME FOR GUNNERS SAYS CHIEF

By ANDY MILLOM

THOMAS Partey will transform Arsenal into a genuine top-four side.

That's the view of the Gunners' director of football Edu who thinks the £45m signing from Atletico Madrid will be a massive hit in London.

The Ghana international has signed for four years on £230,000 a week. Edu thinks that is money well spent and boss Mikel Arteta can get the best out of the 27-year-old midfielder.

The Brazilian said: "Thomas has all the right attributes to be a top player for Arsenal.

"He is a leader on and off the pitch and he is exactly the kind of player and person we want at the club.

"We already feel like we know Thomas very well based on the work we have done analysing his performances closely in recent times.

"With his all-round game and positive aggressive style, he will be a brilliant addition to our squad.

"We've made a strong start to the season and we want to continue to build on this with Thomas now part of our club."

HIGH HOPES: Edu

Favour

It took months of talks to get the deal done and Arsenal sent Lucas Torreira the other way on loan as part of the deal.

The Uruguayan is expected to turn that into a permanent move at the end of the season after falling out of favour in north London.

Arteta can't wait for Partey time at the Emirates.

He is expected to be pressed into action straight after the international break.

The boss said: "He is a dynamic midfielder with great energy.

"We have been watching Thomas for a while, so we're now delighted to add such a high quality player to our squad.

"He brings a lot of experience from a top club that has competed at the highest level in La Liga and the Champions League for several years.

"We're very impressed with his attitude and his approach to the game.

"He's an intelligent footballer and we're looking forward to him integrating into our system and contributing to the progress we're building at the moment at the club."

SANCHO SAYS NO

Fuming Jadon will snub United summer move

JADON Sancho is fuming that Manchester United didn't offer enough to buy him in this window.

The Borussia Dortmund winger was top of Ole Gunnar Solksjaer's shopping list for the whole summer.

But United refused to pay the German side's £110m asking price.

By JOHN ANTHONY

They tried to strongarm Dortmund by waiting until the last minute to get the move done.

Then they reportedly offered £25m less than the Germans wanted for the England international.

Instead United ended up with Edison Cavani, who is 13 years older than Sancho at almost 34 and hardly got a kick in his final six months at Paris St Germain where he wasn't even in the extended squad for the Champions League.

Now reports in Germany are suggesting that Sancho feels "snubbed" by United and is not likely to join the Reds at the end of the season.

Solskjaer has signed two young wide players in Armad Traore and Facundo Pellistri.

That makes it even less likely that they will pay big money for Sancho in the summer.

It could open the door for Liverpool to nick him instead. They are likely to lose at least one of Sadio Mane and Mo Salah next year and would see him as the ideal replacement.
